## HOSPITALITY SERVICE

Bab Al Mandarin Hospitality has the experience needed to lead your on-site team to your hotel's fullest potential. Bab Al Mandarin Hospitality offers a comprehensive range of services and tools tailor-made to each project to ensure maximum return on investment to its owners and investors.

## CLEANING SERVICES

We bring our extensive cleaning knowledge, utilizing methods and products, to help prevent cross contamination. We develop our cleaning protocols and processes around regulations and best practices. Our proactive approach to innovation and development has enabled us to provide industry-leading for our healthcare sector clients.

## STERILIZATION SERVICES

We are using effective materials to kill viruses and bacteria from your home and offices. Our service includes deep sterilization in offices, cabinets, labour accommodation, vehicles, home bedrooms, kitchen, bathrooms, basement and roof. Our services are following instructions from the Ministry of Health and Prevention to all government and private establishments. Places visited by hundreds of people needs to be sterilized their facilities on a daily basis

# TRAINING

Our extensive training programs mean that all of our staff members are fully qualified to provide Hospitality, Cleaning & Sterilization Services professionally.
